Thank You for Plymouth's Prayers

This is to say thank you to the congregation for prayers extended on behalf of those on the prayer list that you may not know. One of those people is my sister, Beth Dickerson. Beth broke her back due to a fall and has had a difficult six months. She did not require surgery and is walking. She has pain but every day it is a little better. Now we are going to add Steve's brother, Dave Ross, to the prayer list because he was recently diagnosed with lymphoma and is struggling with chemotherapy. We thank God and you for your prayers.

Cedars Hope Offering, Sunday, May 5

Plymouth Family,

What a pleasure it is serving our Loving God, you, and Cedars HOPE, by being a Cedars HOPE board member. I have provided some information for your consideration in becoming an important part of Cedars. **The Benevolence Committee has agreed to match some or all of the contributions received during the Cedars HOPE special offering, May 5.** I invite you to be generous to allow this important ministry to continue.

Mission Statement:

Cedars HOPE, Inc. is a not-for-profit organization serving homeless women with serious mental illness by offering permanent:

- Housing,
- Opportunities for growth and companionship,
- Personal support, and
- Encouragement towards independence.

In 1993, an innovative housing concept, Cedars HOPE, was developed to address the issue of increasing homelessness in Northeastern Indiana. Research had shown that half of Fort Wayne's homeless were mentally ill, and that middle-aged mentally ill women were a population under served by existing agencies. Currently, Cedars HOPE is the only permanent supportive housing for women with serious mental illness in our region.

Who do we serve?

Women who were once homeless and that are living with serious mental illness, i.e. bipolar disorder, schizophrenia, major depression.

What supportive services do we provide?

Medication monitoring, health monitoring, life-skills training, case management, three meals a day, community integration.

Where do we get funding?

Housing and Urban Development (HUD) grant pays 36% of our total cost to operate;
Other grants from foundations, churches, service organizations and corporations;
Individual support;
Fundraising projects.

HOW CAN YOU HELP?

Help communicate to others who we are and what we do;
Donate time – volunteer opportunities are varied;
Donate resources – monetary, in-kind services or gifts, such as furniture/food or household supplies.

With government cutbacks/restructuring, Cedars is in need of your generosity to continue this important ministry. **Please consider a gift during the Cedars special offering, Sunday, May 5!**

In Christ,
Joyce Black

From the Senior Pastor

Friends,

A few weeks ago, Fort Wayne Mayor Tom Henry announced plans for a spring interfaith prayer service. Initial details pertaining to the service were sketchy; that changed recently with a mailing disclosing more information. The event, *Prayers for the City – A Celebration of One Community, Many Faiths*, will take place on **Sunday, May 5**, at the University of St. Francis Performing Arts Center, from **4:00-5:30 p.m.** A reception will be held following the service.

I've been asked to participate in the service, and have consented to do so. The following prayer, inspired by Walter Rauschenbusch, has been submitted as my contribution to the program:

*O God, we pray for the city that is our home.
Help us make our city
 large enough to shelter the great and small;
 wise enough to provide for the young and old;
 strong enough to protect the native and immigrant.
May all live unafraid, in the blessings of liberty and peace.*

*Forgive us our inhumanities;
 spare us the deceits of pride
 and the perils of ignorance.
May we remember that true wealth and greatness consist,
 not in the abundance of the things we possess,
 but in the justice of our institutions.*

*Grant us, then, vision of a better day,
where diversity of faith fosters
mutual respect and understanding;
 where common cause is found in the
 abolition of violence and vice and poverty;
 where the strong are eager to team with the weak;
 where schools and streets are safe for
 the health and hope of the children we cherish.*

*To this end, we pledge our time and strength and thought;
Together, may we advance the common good,
and speed the day of the beautiful city,
and so glorify your most holy name.
Amen.*

I hope Plymouth might be well represented at the *Prayers for the City* service. Such gatherings are important, modeling interfaith cooperation and respect that are essential components of civic health and well-being. Yet, spring is a busy time, full of competing demands. So, whether you can attend or not, I urge that we all be mindful of the city, and pray on its behalf. The ancient teaching is still wise and compelling: as we seek the welfare of the city, so we are bound to find our own (Jeremiah 29:7).

Sincerely,
John P. Gardner

The next meeting for **Knit and Kibitz** will be **Thursday, May 2, 6:30 pm**, at Laura Rudolph's home.

More Opportunities for Spring Cleaning

The Fort Wayne Great American Cleanup is the morning of **May 18**. This will provide opportunity to be environmentally friendly as well as do some community service. This year, Plymouth is sending out two work crews.

The Study Connection tutors are going to Nebraska School to do a grounds cleanup around its area. The other opportunity is to do ground cleanup and maintenance at Crossroad.

If you are willing and able to pitch in with a couple of hours at Crossroad on May 18, please sign up on the bulletin board outside the office.

This is a great way to help a worthy organization as well as earn some hours for Mission 4/1 Earth.

Please contact Sandy Moliere (485-9862) with any questions.

On **Sunday, April 28, 2:00 pm**, in the Sanctuary, world-renowned, Veteran-Operatic-Tenor Steven Haas will be the guest artist in a special concert that pays tribute to the great Jewish composers from Tin Pan Alley to Broadway.

This concert is part of a weekend-long collaboration between Plymouth Congregational Church's Music Series, Temple Achduth Vesholom, and the Dr. Harry W. Salon Foundation.

Haas will be joined by singers, Richelle Bock and Betsy Hart, two dynamic performers from Northeast Indiana. Narrator Janice Furtner, and pianists Robert Nance and Alexander Klepach, round out the team of performers for this fantastic journey through the **music of composers such as Berlin, Gershwin, Hamlish, Hammerstein II, Harris, Hart, Herman, Rodgers, Sondheim, and Von Tilzer.**

Rainbow Scarf Project for 2013 UCC General Synod, June 28 - July 2

Rainbow colored scarves, worn by many people during the UCC General Synod in California, are expected to raise awareness about bullying and other types of violence.

In order to have 3,000 scarves available to wear by all these people, there is a request to congregations all over the country, to make these scarves.

Anyone who can knit, crochet or weave, is asked to make one or more scarves and donate them for use in the project.

Finished scarves should:

- have a finished size of about 60 inches length
- be between 4 and 6 inches wide
- 100 % Acrylic yarn, Red Heart Super Saver
- Color: Primary *OR* Red Heart Kids
- Color : Crayon
- Pattern : Your choice

Finished scarves may be turned in to the church office.

If you cannot make a scarf, please contribute a skein of yarn, or donate money to buy yarn or help pay for mailing the boxes of finished scarves to California. Everyone can participate in this important project!

Some Knit & Kibitz members have already made some scarves, displayed in the case in the narthex near the nametag racks.

Introducing the Steigerwald Arts Fund

The endowed Steigerwald Arts Fund provides financial assistance for young people who wish to become involved in a concentrated arts experience such as camps, workshops, clinics, etc., in either a domestic or international location, for a specified period of time to further their personal growth as well as their artistic growth. Because of the emphasis on enrichment through arts experiences, grants from this fund *may not be used* for tuition, private instruction, books, or consumables.

Applicants must be members of Plymouth Church who are least 16 but not yet 24-years-old. Along with financial information, applications must include a narrative describing the enrichment opportunity and the anticipated benefit of the proposed activity for the applicant.

Funds for the Steigerwald Arts Fund are provided by earnings from the fund established in 2005 by the family of Phil A. Steigerwald (1927-2004) to honor his memory. The fund also includes donations in memory of Vera Steigerwald (1902-1984), mother of Phil; Patricia Wasson Steigerwald (1930-1990), wife of Phil for 38 years; and Marcia Steigerwald (1954-2009), their daughter. The surviving children of Phil and Pat Steigerwald and their extended families plan to continue to grow the fund in support of Plymouth youth and the visual and performing arts.

Completed applications must be received at least 60 days prior to the start of the activity for which the funds are to be used.

Inquiries regarding application forms for the Steigerwald Arts Fund may be referred to the Grants and Scholarships Committee by calling the church office (423-9424) and leaving name, phone number, and/or email address.

Habitat Fundraiser Features Evening of Jazz

Join us at C2G Music Hall, 323 W. Baker Street, **Thursday, June 6**, for an Interfaith Build fundraising event to celebrate the diverse communities coming together to put faith into action by building a home for a hardworking Allen County family.

VIP ticket-holders will enjoy an exclusive, intimate performance starting at **5:30 pm**, from **The Mark Maxwell Sax Experience**, including complementary drinks and appetizers from the unique cultures and faiths represented.

Doors open for general admission ticket holders at **6:45 pm**, with a cash bar available. The Mark Maxwell Sax Experience continues the entertainment with a full concert starting at **7:00 pm**.

VIP tickets are \$100 per person and general admission tickets are \$20 per person. For tickets, please contact the Habitat Office (422-4828) and be sure to tell them you attend Plymouth UCC Church. Each congregation can add their own designated contact person's information for folks to reach out to purchase tickets. The committee's goal is for each group to sell 10 VIP tickets.

Spring Cleaning Items Needed for SCAN

The Peace and Justice Committee is collecting cleaning items for SCAN (Stop Child Abuse and Neglect). The items are not just dropped off to the families; SCAN volunteers and workers actually go into the homes and help the residents clean and organize to make their homes safer for young children. Since over 4,000 families are served each year, cleaning items are needed and used throughout the year. There is no other funding for these items, except donations.

Needed items include: window cleaner, mops, mop solution, brooms, buckets, toilet bowl cleaner, garbage bags, rubber gloves. Any brands are acceptable.

We will collect these items in a container by the food bin through the **second week in May**.

It's spring cleaning time! So, check the sales, and pick up an extra mop or cleaning item when you shop for yourselves this spring.

50 Great Days of Mission 4/1 Earth Progress Report

The 50 Great Days of Mission 4/1 Earth is in full swing! Earth care hours, trees planted, and advocacy letters are adding up! Check the bulletin board outside the chapel, regularly, to see our progress.

More initiatives are in place to become even greener!

- **Bicycle, carpool, or walk to church April 28, May 5, and May 12.** Look for more information and a sign-up sheet for carpooling on the bulletin board.
- **Attend Small Study Group, Wednesday nights, 6:45 pm,** to learn more about environmental concerns.
- **Participate in the Great American Clean-up, Saturday, May 18,** the last day of 50 Great Days. Information and sign up sheets are posted on bulletin boards.

One million hours of active earth care is one BIG goal, and surpassing that impressive goal is going to take a concerted effort on the part of every UCC person. However, it's doable! **The important thing to remember is that there is NO One Way to contribute** active earth-care hours, but it will involve intentionality as individuals *AND* as a congregation.

Let's break it down: There are over 5,100 UCC churches. The goals of Mission 4/1 Earth divided by these 5,100 churches gives us an amount that each church would need to obtain to reach these goals; for example:

1,000,000 Earth Care hours divided by 5,100 is 196 hours, divided by 50 days equals less than 4 hours a day.	Plymouth needs to average 4 hours/day of Earth Care hours
100,000 Trees planted divided by 5,100 is 20 trees. The 20 trees divided by 50 days is the equivalent of planting a (one) tree every other day.	Plymouth needs to plant one tree every other day
100,000 Letters written divided by 5,100 is 20 letters. The 20 letters divided by 50 days is the equivalent of writing a (one) letter every other day.	Plymouth needs to write one letter every other day

HOW TO COUNT OUR EARTH CARE HOURS

There is no wrong way to count your hours. We each are at different points in our journeys towards green living. The steps you take along the path, no matter how big or small, are important. Our ultimate goal is to work together to collectively transform the way we live our lives by becoming more intentional about our impact on, and connection to, the earth. Any efforts toward that end are valuable and should be counted.

There are a variety of ways to engage, but whatever you do must feel authentic to you. If you are just beginning to explore the impact of your life on the health of our planet, simply taking some time to pray and study may be what you need to do to get started. If you're already living an earth friendly lifestyle, now may be the time to add a new discipline to help you stretch beyond greening your own life, and move in to making changes to your community or church through a new program or advocacy. If you're a real pro, you may be able to achieve a full day of earth care by dedicating your personal habits, transportation, food choices, thoughts, and prayers to protecting the earth!

So take a look at your day. If you are doing something new to protect the environment, like changing light bulbs, walking to work, or shopping at your local farm stand, count those hours. If you are making time in your day to learn more about living an earth friendly lifestyle through research, prayer, or reflection, count that time spent exploring this new area of learning. Be sure to recognize the new habits, both physical and spiritual, that you are incorporating into your life. They will add up and, together, our efforts will represent transformed lives and a healthier planet

Reminder: Record your hours on the time cards and place them in the offering plate each week.

At Plymouth, we're Greening Up, Powering Down, and Shouting Out for God's good earth!
